Fresh Conversations

Pray, read, worship, study, serve, give, tell—Already in 2011, our National Bishop, Susan Johnson, called for spiritual renewal with these seven words. Beyond all program planning and building renovations, spiritual renewal is what really refreshes and invigorates a church, as individuals and as a community. Spiritual renewal and refreshment is exactly what I myself am hoping to achieve during the summer. I suspect this isn't any different for you. Leisure hours in the sun or in all kinds of weather, being out in nature or travelling, finally finding the time to enjoy a book that one has been meaning to read—all these are activities that help us recharge our batteries. For me, this also involves moments of quiet meditation, which sometimes happen when I visit a church and other times when I least expect it.

For Bishop Susan prayer is of primary importance in achieving spiritual renewal. In his first letter to the Thessalonians 5:17, St. Paul writes succinctly: Pray without ceasing!

At first this sounds like a clearly excessive demand of average people like you and me but it quickly becomes reasonable if you see praying not just as the recitation of certain memorized prayers. Praying, rather, is an attitude. Simply replace the word prayer with "to be in conversation with God". Think of life as a dialogue with God, not just before meals or at bedtime but also anytime in between. It's just like how we stay connected through conversation with those we are close to—our children, our partners, our friends.

I value these dialogues because they bring a new perspective and new ideas into my life. It is through conversations that the people around me play a role in my life and help to shape it. Through my conversation with God, new space is created for God to help fashion my life. I see my life in his light during short moments of thanksgiving, of complaint, of questioning. "God, what a beautiful day. I thank you." Or, "Lord, what should I do now? Do you have any ideas for me?"

In the summer we have a lot of time and leisure for things that we have lost sight of during the year. It is the perfect time to be refreshed through a conversation with God. Bring this freshness and liveliness with you into our congregation and let it rub off on others.

Wishing you a summer full of good conversations,
Your Pastor,

**A great
opportunity to
inspire your prayer life
this summer:**

Stonegate Ministry is hosting a prayer walk on the morning of each Tuesday in July & August from 10:30-11:30 am. The 1st and 3rd Tuesday is in Mimico and the 2nd and 4th Tuesday is in Stonegate.

President's Message

Dear congregation and friends of Martin Luther Church,

Summer is usually not a very busy time for churches—it's a time for vacation, travel, time at cottages, camping and spending time at home on Sunday mornings. Despite it being summer, Martin Luther Church continues to have good attendance. People are still gathering to hear God's word and they are still gathering in the basement for coffee and cake. We have been enjoying some small changes this summer:

- **Pastor Mark Kalavatis** played piano during a few services to give our organist, Linda, a summer break and we definitely enjoyed his playing.
- **Pastor Simone Geyda** has been covering for our Pastor Ceconi, while her husband **Michael Schlenker** also stepped in for Linda.
- We had our summer student **Shaheed** in the office working on various projects.
- Our lay preachers will be present, helping with liturgy and preaching this summer as well.
- Thank you to all who are keeping Martin Luther full of life this summer.

Please don't forget about the important work we do that makes us an important part of our community. We pride ourselves in sharing God's word and lending a helping hand to those who need it more than us. We are present in the community and offer a place for people to gather and share experiences. All of this is possible through the donations made by the congregation and its many friends and supporters. Thank you for what you're able to contribute.

I am asking everyone to think about the summer collection this year. Included with this is an envelope for your summer donation. Please bring it to church, or send it to the office. It is also possible to email a donation. Contact our treasurer, Martin Haefele, for more information at mhafele@rogers.com.

Your generous donations are what keep this church running. We need the support of our members to

continue being a vibrant and supportive church in our local, and also global community.

Every single dollar supports your congregation to make it a vibrant and welcoming place to be.

Wishing you a safe, enjoyable and blessed summer.

Church Council President

From Gray Asphalt to a Green Oasis

Our backyard gets an upgrade!

In September, the backyard of our church will transform into a beautiful oasis.

With new equipment and more green spaces, new playing areas will be created for the daycare, children, youth and the whole church community.

Since the beginning of this year, a team consisting of a playground planner, church members and daycare staff has been meeting regularly to plan the transformation. The church council was consulted about the plans several times. Now the planning phase is complete and construction is scheduled to start in **the first week of September**. Everything should be ready **by September 14**. The financing of the renovation will be covered by Daycare.

But *what exactly* is going to change in our backyard?

- We are creating **four new parking spaces**, available to our church members throughout the entire week.
- We are bringing back **nature**: by reducing the asphalt, there will be more space for green areas. There will be gardening corners for the daycare children and there will be new toys made of natural materials.
- There will be more **shaded places** in the backyard, a big advantage especially in summer.
- The changes will make our backyard, and therefore our church, **more attractive** to children, young people and families.
- Our **youth groups** can also benefit more from the backyard, too.
- The playground has **different zones**. For example, there is an area that promotes children's creativity, there is a Challenge Area with climbing walls and areas, where the children can rest.

Our project manager **Mike Salisbury** (Earthartist Design), **Margarete Kaufmann-Bühler** and **Pastor Ceconi** will ensure that the construction work runs smoothly.

In the upcoming weeks, you can have a look at the transformation plans on a board in the church foyer. If you have any questions, please feel free to contact Pastor Christian Ceconi,

Inge Koo Tze Mew (Daycare Board) and Margarete Kaufmann-Buehler, former Daycare Manager. Until the end of August, our daycare intern Maika Müller will keep you up to date on our

website and on Facebook. The formal reveal of the new backyard is planned for the second half of September. The exact date will be announced later, as the construction work is weather-dependent. We look forward to celebrating the new backyard with you and to trying out the new possibilities for play!

Our New Intern, Ann-Christin

Hello to everyone at Martin Luther Church,

My name is **Ann-Christin Hohaus** and I am studying Religious Education Theory (German: *Religionspaedagogik*) and Community Work/Outreach (German: *Gemeindediakonie*) at the Protestant University in Freiburg. Since these studies enable me to have an internship in a church congregation abroad, and I was already an *au-pair* in San Francisco prior to my studies, I again gravitated towards an English-speaking region. I have been so excited about all that Canada has to offer and I am looking forward to the opportunity to experience Canadian culture and the outdoors soon.

Until my au-pair year in 2016, I actively volunteered with children and youth in my hometown and thereby lead numerous groups and circles. I will be happy to be a confidant or just lend an ear, or shoulder, to anyone in the MLC congregation—young or old—who feels the need to talk.

I am keen to apply the experience I have gathered so far to my work at MLC, and to learn from all of you while becoming an active member of the congregation. I am looking forward to meeting everyone!

—Kind regards,
Ann-Christin Hohaus

Outreach Team

The Outreach Team has been meeting in and around the church since the spring to discuss how to become more outward-focused and responsive to the needs of the community. We are currently putting together a new approach to worship called "Dinner Church by the Lake". It will consist of an integrated potluck dinner and worship, which will take place in the church on a weekday evening. We are hoping this will be a great way to build relationships with members of our church and surrounding community. Stay tuned for more details!

Contact the church office if you are interested in joining our next meeting on **September 6 at 7 pm**.

New to Canada Info Night

On **September 14 at 7 pm**, we again invite all those who are interested to a New to Canada Information Night. In short presentations, there will be information about everything from weekend getaways to tax returns, church and shopping. We've invited a diverse group of experts who are available to answer questions for all new residents. We also offer plenty of opportunity for discussion.

Contact: Martin Häfele, mhaefe@rogers.com.

Walk by the Lake After the Service

MLC's logo has water in it, and our Pastor uses the hashtag "PastorOnTheLake" on Twitter. It is very special that our church is this close to Lake Ontario.

A group of 4 church members went for walk along the lake after the joint service on July 15. A good time for future walks might be after the joint service on **September 16**. It is a good opportunity to get to know one another better, to talk a bit about the sermon perhaps, and to do something that is good for you. And it is more fun in numbers. If you would be interested in joining us for a stroll

along the lake after church, please contact Marlena in the office so we can figure out when would be a good time.

Eastern Synod Assembly 2018: Liberated by God's Grace... to be Neighbour

Pastor Ceconi and Vice President Iris Schweiger were sent to the Eastern Synod Assembly as delegates of the Martin Luther Church. At the three-day meeting Bishop Michael Pryse was re-elected for an additional term of six years. He outlined the goals for the upcoming years as three challenges/opportunities as summarized below.

- Firstly, accented by the Assembly theme: "Liberated by God's Grace... to be Neighbour", we are asked to contemplate neighbourliness. Who is my neighbour? What does it mean to be neighbour? Who are the neighbours that God is calling us to encounter anew, neighbours we have avoided, harmed? Are our neighbours Indigenous people, neighbours who live in poverty, who are of different sexual orientation, whose skin colour is different from ours?
- Secondly, we are asked to reach out in ways that will inspire others to join in our discipleship. We are reminded to follow the big part of our Christian vocation, to enlist others to join us in supporting and engaging in God's mission to love and save the world.

"We've got to turn the operational focus of this enterprise

on its head. Our mission is not the business of supporting and maintaining the institutional church. The business of the institutional church, rather, is the service and support of God's mission. It's about the enlistment and support of disciples who aid and advance God's mission to love and save the world."

- Thirdly, we need to get our economy in order because at this time we are among the richest Christians who have ever lived, and we are not using our accumulated resources as effectively or responsibly as we can.

Intern for the Canadian Council of Churches

Dear congregation,

I am Mirjam Steinebach, I'm 26 years old and I just started my specialized internship at the Canadian Council of Churches. I feel blessed to have one year to discover the bright and colourful world of ecumenism. While I'll be mainly

working at their office, you'll probably see me at Martin Luther Church at some point, for example during summer camp in August.

Therefore, I'd like to introduce myself: I was raised in Rhineland-Palatina. As I am someone who loves adventure and to experience new countries and cultures, I took the opportunity after graduating to work at a Lutheran camp in New Hampshire for one summer. These months were one of the main reasons I went on to study theology afterwards.

These studies led me to Frankfurt, Lund in Sweden and finally Kiel. For the past two years, I was a vicar in a congregation right outside of Mainz. Now that I am done with my final exams, I felt the need to go outside the box again and am happy that it brought me here. I am looking forward to so many new experiences this coming year and of course I am looking forward to meeting you!

—Yours truly, Mirjam Steinebach

Remarks and Reports

Party in the Park, June 12, 2018

Church Picnic at Camp Sidrabene

Our congregation's annual Church Picnic took place on June 17th on the grounds of Sidrabene Retreat Centre in Burlington. In spite of the hot temperatures, over 80 congregation members gathered at the outdoor chapel for

an interactive service filled with performances and music. Despite the loss of the German soccer team everyone enjoyed the Fundraiser BBQ provided by the Summer Camp Team. Thank you for the cold drinks, delicious salads, sausages and juicy watermelons. We were able to raise enough funds to send two counselors to camp for free this year—a great success. Thank you for your generous giving! The day ended with refreshing jumps into the pool, fun games on the playground, conversations in the shade and fellowship over coffee and cake. A thank you here to the seniors group for all the help to make the picnic another great success.

—Anna Lisa Wienecke, Camp Director

Shaheed says "Auf Wiedersehen"

The last two months here at Martin Luther Church have been one of the most exciting experiences in my professional life. Working together with Iris, Pastor Christian, and the Party in the Park

Committee has taught me a lot about the importance of team work and just how much effort goes into running a largescale community event.

I also had the chance to work on my own project, which was a community cleanup by the waterfront with the children from Martin Luther Church Daycare. It was truly heartwarming to see how excited and motivated the kids were to do their part in helping to protect the environment!

I will truly miss working here, as I got to be part of something very special at Martin Luther Church. I had the opportunity to meet people from all walks of life and worked with some of the kindest, inclusive, and passionate individuals in the world. Although my internship is over, I will try to volunteer and attend Sunday services, so that I may continue being part of this amazing church.

Confirmation Photos

We now have room to display photos of Martin Luther Church confirmands for many more years to come! We thank **Rita, Peter and Sabrina Bauman** and especially their family visiting from Halle Germany, **Jenny and Sven Weineck**, for working this July to improve the display in the basement. Some years are still missing. Contact the office if you have a photo to add.

Our helpers also further improved the sacristy with lighting over the counter. We are grateful to everyone who shares their time and talents, even during their vacation!

Thank You for the Gardening
