Read or Watch Jocelyn as she welcomes us to this week's adventure

Welcome to this week's Sunday Funday! So far in our stewardship journey, we've talked about what stewardship is and how we can be good stewards - like last time, when we learned about Pentecost and how God gave everyone the gift of the Holy Spirit, which is how we can start growing our own talents and sharing them with others (or in other words, letting our light shine)! But have you ever stopped to wonder why we practice stewardship? Like, why would we share our talents with anyone else? Or, why do we grow plants and share our food in the first place? In today's lesson, we'll learn that the reason has to do with a pretty important job that God gave us - and believe it or not, we already have the tools to do this job well.

Before We Read and Watch Today's Story...

Let me ask you...

What talents did you work on this week?

Which talent did you share?

Why does The Church love to serve in the neighbourhood?

Why are some people so excited to talk to people about Jesus?

Why aren't some people excited?

What about you?

Let's think about those questions as we watch the telling of a very important moment.

In your Spark Bible turn to page 496, did you find Bible Bug?
We call him Barnaby, what do you call him?

I wonder...

Let's read or watch Marlena's wondering

The Great Commission?! Sounds more like Mission Impossible!

How did the disciples feel when they saw Jesus?

How would you react if you saw someone for the first time in a long time?

Would you also offer them something to eat and drink like the disciples did with Jesus? I would love that!

What did Jesus tell the disciples?

Why doesn't the story end with Jesus getting all the power on heaven and earth?

How do you think the disciples felt when they heard it was their job to teach people about Jesus?

Do you think they were scared?

How would you feel?

Sometimes it may seem scary to tell others about Jesus, but we have the Holy Spirit with us to guide us.

We can teach others about Jesus by sharing our talents in the church and community. And we've learned sharing is key to growing our own faith.

Even when we can't meet at church these days, our church friends are following Jesus' example by sharing their skills. We are proud of their work and how it helps our community. Anitta, Eileen, Molly, Alexia and Marlon read for our Sunday church service, Alfred gardens, Linda plays music, Manya translates and Vicar Adam tries to garden and loves to share,

All those different skills and talents, sharing, serving, caring, and being stewards.

**Need some inspiration to get out there
to serve,
share,
and grow?
These friends are here to help**

Psalm 104:24-34, 35b

28 You give it to them;
they gather it; you open your
hand, and they are filled with
good things.

28 Wenn du ihnen gibst, so
sammeln sie;
wenn du deine Hand aufstust, so
werden sie mit Gutem gesättigt.

Alfred's special skills are landscaping and gardening at church!

Linda plays the organ and piano at our church!

Reflecting on that...

Give Peas a Chance!
You can watch Jocelyn growing outside**

or Ariane and her family growing in pots.
Either way, we will be snacking and sharing
peas in no time!
Keep us updated on your planting projects so
we can share.

Don't forget to show us what you
made!

Parents and guardians, we would like your permission to make a collage of the pictures you send us, we will publish it on our social media accounts

As We Prepare to Say Goodbye For this week let's...

Pray Our Goodbye Prayer

The infographic features a central illustration of a right hand with a play button icon in the palm. Surrounding the hand are five text blocks, each associated with a specific finger and an emoji: the index finger (graduation cap), middle finger (crown), ring finger (pill), thumb (heart), and pinky (prayer hands). Each block contains a title and a short paragraph explaining the prayer's focus. At the bottom, the title 'THE 5 FINGER PRAYER' is written in large, bold letters, followed by 'BY POPE FRANCIS'. A source link and the CatholicLink logo are also present.

INDEX FINGER
FOR THE ONES THAT TEACH US
For those who instruct you and heal you. They need the support and wisdom to show direction to others.

MIDDLE FINGER
FOR OUR GOVERNORS
As it is the tallest finger, it reminds us of our leaders, the governors and those who have authority.

RING FINGER
FOR THE SICK AND WEAKEST
It is our weakest finger. It reminds us to pray for the weakest, the sick or those plagued by problems.

THE THUMB
FOR THE ONES WE LOVE
Start praying for those who are closest to you. They are the easiest to remember.

THE PINKY
PRAY FOR YOURSELF
The smallest finger should remind you to pray for your own needs when you are done praying for the other four groups.

And sing Our Goodbye Song

Sei behütet auf
deinen Wegen,
Sei behütet auch mitten
in der Nacht,
Durch Sonnentage,
Stürme, und durch
Regen,
Halt der Schöpfer über
dir die Wacht.

Be cared for on
all your journeys,
Be cared for all
throughout the night,
Through sunny days,
through storms and
even rain,
The Creator watches
over you.
