DEVOTION

Dear Fellow Christians !

When worries and fears hold us captive, how can we experience liberation from it? What power in the world is strong enough to get us out of these black holes?

In Mark 5, the story is told of the woman who has been suffering from hemorrhages. She has one great concern in her life, for several years now she has had very heavy bleeding. In the crowd that surrounds Jesus, she does everything possible to get close to him. Finally, she manages to touch his cloak. And the miracle she hoped for happens: She feels Jesus' healing power, she feels she is cured of this long-standing nuisance. Jesus noticed that. He stops and asks into the crowd, who touched me? Now the woman reports what happened to her. And Jesus says to her: Daughter, your faith has made you well; go in peace, and be healed of your disease.

What happened here? How has this woman experienced help and liberation? The whole thing reminds me of an incident that I found in an older book, a true, dramatic story.

A crippled woman left her crutches and ran up a flight of stairs to rescue her three-year-old daughter when fire threatened to trap the child in an upstairs bedroom. The mother, injured in a car crash two years previously, had been unable to walk without crutches ever since the accident. She was in the kitchen when she suddenly discovered that the house was on fire. Realising that the life of her little

daughter was at stake, she momentarily forgot her own physical handicap. She rushed to the upper floor, grabbed the sleeping child and carried her to safety.

How has this woman experienced relief of her concern? Up to this moment, certainly their greatest concern had been the physical disability, which weakened and restricted her. Now she saw a bigger problem. And because of the bigger problem, she forgot about the smaller problem. When it was most urgent that she immediately ran to her child, this woman completely forgot her own problem.

With the woman in Mark 5, it was different: She did not see a bigger problem. She saw the greater God. The woman who suffered from hemorrhage experienced relief from her illness by the discovery of Jesus, by the discovery that Jesus is the Son of God, and God is greater than all my worries and troubles. This freed them from fear, this cured her of their disease. In Deuteronomy 30, it says: When you return to the Lord your God, then the Lord your God will restore you from captivity, and have compassion on you. God will save us from captivity in worries and fears.

In a reflective text, it says:

***I asked God for strength that I might achieve;
I was made weak that I might learn humbly to obey.***

***I asked for help that I might do greater things;
I was given infirmity that I might do better things.
I asked for riches that I might be happy;
I was given poverty that I might be wise.***

*I asked for all things that I might enjoy life;
I was given life that I might enjoy all things.
I was given nothing that I asked for;
But everything that I had hoped for.
Despite myself, my prayers were answered;
I am among all men most richly blessed.*

The crucial point is to discover God, God is greater than our problems, greater than our lives, greater than this world. Through this trust we will experience liberation.

*Kind regards and blessings,
Your Pastor Alexander Mielke*

A warm welcome to the Mother's Day Luncheon !

On **Tuesday, June 1**, she will read from her book **"Curry Is Thicker Than Water"**. **Jasmine D'Costa** is a board member of the Canadian Council of Churches (CCC) and from India. In her short stories, she gives a wonderful impression of today's life in this great Asian country.

"A cobra flies in through an open window. Wives form a pact against their bigamous, abusive husband. A mother and son battle over eagles' eggs. A homeless guest with a secret. An elephant protests on a highway. A woman marries a pumpkin. Diverse people - one country! This is the teeming, hectic world of India. It is also the vivid, startling world that Jasmine D's Costa gives us in *Curry is Thicker than Water.*"

A warm welcome to this Reading Event on Tuesday, 1 June, 7:30 p.m. in our Martin Luther Church. Admission is free.

Christine Couturier reported in the service of her bearing the **Olympic Torch** on Sunday, February 7, in Chilliwack, BC. The kids were amazed and thrilled!

A greeting from **Nancy Rahn**, who was student of internship in the MLC from March 5 to April 9:

Hello all!

For some time now I have been back in Germany. I have started again with my every day university life. The first bottle of Maple Syrup is empty, thanks to the help of my apartment-sharing-community, and I enjoy the warm weather in Tuebingen.

Above my bed there is now a giant flag of Canada and a map of Down Town Toronto. Still very, very often I think of the great time with you and so many beautiful and valuable experiences.

Only gradually I realize what I have actually experienced. And then I am pleased with how little flashlights come up every now and again in my mind's eye. The Easter Sunrise Service, followed by that huge breakfast, the swimming pool party, presenting Africa photos, Sunday School, day care, home visits, enjoying delicious food, meeting nice people and much, much more.

Your love and your hospitality have impressed me and make me happy when I look back again. I received a lot from those five weeks, new impressions and thoughts, motivation, many beautiful memories and most of all I have met many people who have become dear to me. I felt much richer when I climbed off the plane in Frankfurt.

THANK YOU!

I wish you all the best and God's blessing - for each of you personally and for all congregational work. You are great and I would love to come back at any time.
Warm greetings from Tuebingen, your Nancy

Nancy Rahn and Gisela Wilhelm who hosted her in her house for five weeks – thank you so much!

Together with the youth, Nancy had prepared the play for the Easter Sunrise Service.

From April 15 to 23 **Pastor Edilson Tetzner from Brazil** was our guest. He told us much about his congregation Guarulhos / Sao Paulo and its mission in Cabucu. In the festive service, we were able to present him as a gift for the church work a projector, which a church member had donated generously. A very special thank you to Gunter Gall, who had prepared and organized this trip. A big thank you to Clécio and the many other interpreters, who helped out sometimes very spontaneously. May God bless and guide Edilson, his wife Denise and daughter Natalie Sophia, and all sisters and brothers of our Lutheran sister congregation in Guarulhos!

Pastor Mielke presented to Mr. Gunter Gall a certificate with which he, on behalf of the Martin Luther Church, warmly thanked him for his ten years of commitment and dedication to the partnership with Guarulhos.

Pastor Edilson together with our church council (on the left the brand new members Larissa Mattwich and Martin Häfele; right our diligent and busy interpreter Clécio).

Pastor Edilson with the English Bible Study group (right our hostess Florine Nolte, left the Day Care teacher Amparo, who could help through their knowledge of Spanish when translating from Portuguese)

Edilson and his hostess had a good time together - a big thanks to Henriette Swistunowicz who hosted Edilson in her house - and spoiled him with delicious food!

I cordially invite to a new confirmation course. It leads to confirmation on Pentecost Sunday in 2012, May 27. By meeting every second week, the burden of transport for parents is not as heavy. Children are welcome to be registered also at a younger age, even shortly before they reach the age of 12. **A first meeting will be on Friday, September 17, 6:30 p.m.** in the church. Please inform me per telephone (my cell phone 416-567-2487) or e-mail, if your child is eligible. And please tell others in your family or among friends about this!

Stay in Germany of Pastor Alexander Mielke, according to the contract with EKD

This summer we will be in Toronto and the MLC for three years already. According to the contract between EKD, MLC and Eastern Synod, the EKD (Evangelical Church in Germany) finances a stay in Germany for me and my family (with a length of 8 weeks, following this contract). So I will be in Germany from June 18 until August 10, and during this time attend an EKD-Overseas-Conference, as well as continuing education courses. Furthermore this vacation, of course, presents a good opportunity to visit family and friends. I am very pleased that Pastor Gerhard Hille will be available as substitute pastor for the greater part of this time. He is the father of Anna Lisa Wienecke and, therefore, quite familiar with the MLC, and I think it is optimal to have permanent substitute pastor to turn to in matters of church services and pastoral care. Through a continuing education course in preaching, which he has attended in Chicago for some time now, he is also well acquainted with the English language. A heartfelt Thank-You to Pastor Hille for his readiness to help!

Here a first greeting from Pastor Gerhard Hille:

*Dear members of the Martin-Luther-Church,
Pastor Mielke has asked me to serve as a substitute pastor during his stay in Germany this summer. I was very pleased and have accepted this invitation with a thankful heart. So I'm going to live in the parsonage from July 11 to August 11 and be available for you in all pastoral matters. May it be a blessed time!*
